Game Gym offers a healthy approach to gaming, with structured scholastic sessions led by Certified Gaming Coaches designed to help children game better and smarter! We will work with campers to improve their in-game skills, tips, and tricks as well as fundamental life skills such as healthy eating habits, teamwork, finding a stopping point, and critical problem-solving.

Explore the world of esports immersed with the traditional camp setting! Game Gym offers healthy gaming through structured scholastic sessions led by Certified Gaming Coaches designed to help children game better and smarter! Campers experience gaming growth by improving their skills with tips and tricks. Coaches highlight lessons filled with fundamental life skills such as positive eating habits, finding a stopping point, and critical problem-solving. Campers will spend time everyday exploring the green spaces GMU's campus has to offer.

Attend a Game Gym Partner Camp at Summer at Sandy Springs (SASS)! Just like a traditional Game Gym camp, our certified coaches will lead campers through physical stretches and interactive lessons. Our coaches will support campers as they navigate through skills of learning how to game better and smarter! SASS campers will engage in other activities that their daily program has to offer. As a Game Gym Partner Camp, you will be registering for camp with Summer at Sandy Springs.
